

# Wearing a mask

Sometimes I see people wearing glasses or hats.

Because of coronavirus some people now wear masks.

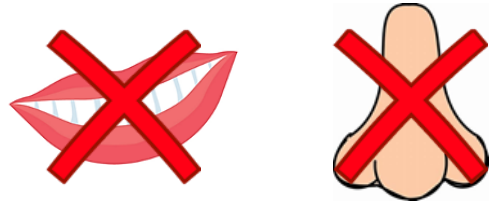

I will wear a mask when Mum, Dad or an adult asks me to.  
Wearing a mask is different, but it is ok.

When someone has a mask on, I can only see their eyes.

I won't be able to see their mouth or nose.

They are under the mask.

These are heroes that wear different kinds of masks.

I can be like the heroes and wear a mask too. It will help to keep me safe.
